

Combe Martin Primary School
Photography Consent Form

Dear parent / carer

At Combe Martin we sometimes take photographs of pupils. We use these photos in the school's social media accounts (including Class Dojo), on the school's website and on display boards around school.

We would like your consent to take photos of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to school.

- I am happy for the school to take photographs of my child.
- I am happy for photos of my child to be used on the school website.
- I am happy for photos of my child to be used in the school prospectus.
- I am happy for photos of my child to be used in internal displays.
- I am happy for photos of my child to be used on Social Media.
- I am NOT happy for the school to take or use photos of my child.

If you change your mind at any time, you can let us know by emailing combemartin@swsf.org, calling the school on 01271883226, or just popping in to the school office.

If you have any other questions, please get in touch.

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from May. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.

Conditions of Use

Thank you for agreeing to your child's photograph being taken and used by Combe Martin Primary School. Any photograph taken will be kept anonymously and will not be printed with a surname or contact details, e.g. an address or phone number. We may use group or class photographs and include labels and captions which explain the image.

We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately.

Please note that children of parents and guardians who have not given consent for photographs to be taken will not appear in any group or class photos or be represented in media publications, for example nativity photos placed on the website or photos of events placed in the local paper.

If you decide to withdraw your consent at any time, please contact us and let us know. We will then ensure that your child is no longer included in photographs used in this way.

If you would like more information, please contact the school office.
