

# READING NEWS

ALL OUR NEWS FROM BOOK WEEK AND  
WORLD BOOK DAY!

## Inside :

## World Book Day

*World Book Day*

*Sharing Books*

*The Promise*

*Tiddlers*

*Book Cover Competition*

*We celebrated World Book Day on Friday 4th March by inviting everyone to come into school dressed as a favourite book character! There were some fantastic creative costumes and it was great to see a wide range of characters and books represented. Well done to the children for their great efforts and thank you to all parents for your hard work too!*

## Reading Together

### ***Sharing a book!***

*As part of our World Book Day celebrations the classes paired up for some shared reading after playtime on Friday. Class One were joined by children from Class Four, Class Two paired up with Class Five and Classes Three and Six got together! Later in the day some Key Stage Two children visited Tiddlers to share books with them. It was lovely to see the children sharing and talking about books together and we hope to start doing this more regularly!*

# Whole School Book

## *The Promise by Nicola Davies*

All the classes read the book 'The Promise' by Nicola Davies. The book was introduced to the whole school in our assembly on Monday morning when we watched an animation of the book which can be seen here: <https://www.youtube.com/watch?v=ea7W4EfhZGk> 'The Promise' is a beautiful picture book about the power of nature. It tells the story of a young girl living on the streets of a city who steals to survive. She tries to steal the handbag from an old woman who gives it to her if she makes a promise to 'plant them all'. The bag is full of acorns and the book shows the girl planting them and transforming the city. In our assembly on Friday afternoon all the classes shared what they had done linked to 'The Promise', it was lovely to see the children's beautiful artwork and hear some of their writing.

## Tiddlers

### *Fun with books in Nursery*

Tiddlers joined in with the fun on World Book Day, the children (and adults) dressed up as book characters! There was some amazing storytelling happening, the children made up their own stories which were scribed by the adults. They were also joined by some Key Stage Two children who shared books with the children.

# Create a Book Cover Competition

#bookcoverchallenge

After seeing the Book Cover Challenge on Twitter we decided to hold our own book cover competition for World Book Day. The children did a fantastic job of recreating a favourite book cover in a photograph - we were particularly impressed with the entries which had managed to get pets involved! Well done to everyone that entered and a special congratulations to our winners!

A special mention must go to our parent winner Kat Blacklock whose entry was amazing!

Winners:

Immie

Sienna

Harley

Jacob

George
